MEMORANDUM

DATE April 1, 2017
TO All Sheriffs
FROM: Michael L. Maggard, Director II
Vehicle Services
SUBJECT: Handicapped Parking Plates

A handwritten signature in black ink, appearing to read "MLM", is written over the "FROM" line of the memorandum.

Renewal of handicapped parking license plates this year requires complete of the Doctor's Certification of Disability. Please do not renew any application for a handicapped license plate without receiving the signed certification form. These forms should be sent in with the renewal application.

While the license plate may be renewed for one or two years, the disability certification will be valid for a five-year period, meaning a doctor's recertification will not be required until the July 2022 renewal period. This five-year recertification will match the five-year renewal period for handicapped parking placards.

Please direct any questions you may have to Lisa Eskew, Supervisor at 304-926-2581. Thank you for your assistance in this matter.
