Upcoming Paving Delays on US 522 Near VA Line

BURLINGTON, W.Va. – The West Virginia Division of Highways advises motorists of upcoming delays on US 522 in Morgan County, beginning Sept. 8.

The road will be temporarily reduced to one lane for daytime paving. The project will begin at the Virginia state line and will continue to the intersection with Oakland Road (Morgan County Route 28). Traffic will be under the direction of flaggers and a pilot truck.

Jefferson Asphalt Products will be performing the work at a cost of \$1,168,090.87. The project should be completed within four weeks, weather depending.

Following the completion of paving, centerline rumble strips will also be installed along US 522, from the Virginia state line to the Maryland state line.

Please contact the District Five Headquarters in Burlington at 304-289-3521 with any questions regarding this project.
