**Amendment to EMS Ordinance**

There have been two public meetings for community input. The Ordinance has not been updated since April 2016. Commissioner Forney noted that 10-12% of EMS calls are to commercial buildings where no fee has ever existed. The updated ordinance notes that units that don't have water are still included in an EMS fee and those exempted are schools, hospitals, churches, fire departments and other government agencies. Commissioner Forney made a motion to authorize an EMS billing fee for commercial buildings based on square footage with a minimum of \$150 and a maximum of \$5,000 effective today, March 9, 2026. President Tuttle votes yea. Commissioner Forney voted yea. Commissioner Clark voted yea. Motion carried.
