

Morgan County Planning Commission
Meeting Dates and Submittal Deadlines 2023

Note: Projects will not be placed on the agenda until the project is reviewed by the engineer. Placement on an agenda will come from the County Planner and engineer once the review has been done and the application has been deemed completed. Allow a minimum of two weeks for reviews to be completed. Listed below are the submittal deadlines to meet advertising requirements.

The submission dates are for the Preliminary Plats, Commercial Improvement Location Permit Applications and Final Plats.
