COMPLETE DRAWING ON BACK OF THIS PAGE
SIGNATURES REQUIRED ON BACK OF THIS PAGE

A SKETCH IS NEEDED IN THE BOX BELOW. PLEASE INCLUDE THE DRIVEWAY ENTERING YOUR LOT, LOCATION OF YOUR HOME, LOCATION OF WELL AND SEPTIC, AND ANY OTHER STRUCTURES OR BUILDINGS ON YOUR PROPERTY.

Sketch does not have to be to scale. Use dotted lines when you are adding to an existing building. Label structures and buildings.

I am aware of the Health Department approved septic location and that the location can not be moved without issuance of a new septic permit. I am also aware that the septic permit needs to be renewed on an annual basis to remain valid until the system is installed. Without renewal the permit will be “VOID” one year from the date of issuance.

I understand that Morgan County does not enforce subdivision covenants and restrictions nor deed restricted properties. Permits approved by the Planning Commission do not nullify civil contracts.
